DURING YOUR STAY

Ward rounds: The primary consultant visits once or twice daily, ordinarily between 7:00 am and 9:00 am and again between 5:00 pm and 7:00 pm. Nursing staff are available 24 hours. Patients are encouraged to use the nursing call bell at any time.

Meals: Standard meals are served at 7:30 am, 12:30 pm, and 6:30 pm. Dietary requirements including diabetic, low-sodium, vegetarian, halal, and soft diets are to be communicated to the ward nurse at the time of admission. Premium Suite patients may select from an extended menu.

DISCHARGE

The treating consultant will ordinarily indicate anticipated discharge the evening prior. The discharge process typically requires two to four hours from the time the discharge order is signed. A printed discharge summary is issued to the patient, with a copy transmitted to the registered email address. Settlement of any outstanding balance is required before the discharge letter is released.

VISITOR POLICY

A maximum of two visitors at any one time is permitted in General Wards. Up to three visitors are permitted in Private Rooms and Premium Suites. Children below the age of 12 may visit only in Private Rooms and Suites and must remain under direct parental supervision at all times.
