FASTING REQUIREMENTS BY TEST

Test	Fasting Required	Duration
Fasting Blood Glucose	Yes	8 hours; water permitted
Lipid Profile	Yes	10 to 12 hours; water permitted
Glucose Tolerance Test (GTT)	Yes	8 hours prior; three blood draws over 2 hours on day of test
HbA1c	No	Not applicable
Routine FBC	No	Not applicable
Liver Function Tests	No	Not applicable
Abdominal Ultrasound	Yes, with full bladder	4 hours prior to scan

COLLECTING RESULTS

Results are transmitted automatically to the referring consultant's patient record within the hospital system. Patients may collect printed results from the laboratory or radiology desk upon presentation of their NIC or hospital registration card. Results are accessible via the Serendib patient portal within one hour of verification. Abnormal or critical results are communicated by telephone to the referring consultant without delay.
