Category

Fee (LKR)

General Practitioner	1,500

Senior Consultant or Professor	5,000 to 7,000

WALK-IN PATIENTS

Walk-in patients are attended to after all channelled (booked) patients within each session. During peak hours of 10:00 am to 12:00 pm and 4:00 pm to 6:00 pm, waiting times for walk-in patients may exceed 90 minutes. Advance channelling by telephone or online portal is strongly recommended for specialist consultations.

CHANNELLING SYSTEM

Serendib General Hospital operates a numbered channelling system. Patient queue numbers are displayed on the screen outside each consultation room. An automated SMS notification is sent to the patient when three patients remain ahead of their slot, permitting patients to wait in the café, garden, or elsewhere within the facility rather than the waiting area.

DOCUMENTS TO BRING TO OPD

- National Identity Card or Passport (mandatory for registration)
- Hospital registration card, if the patient is returning
- Previous investigation reports, originals and copies
- Referral letter from a GP or specialist, if applicable
- Complete list of current medications
