September 2026

All figures are estimates in Sri Lankan Rupees (LKR), effective Q2 2026. Costs encompass the surgeon's fee, anaesthetist's fee, theatre charges, and standard consumables. Ward accommodation, pre-operative investigations, post-operative medication, and physiotherapy are invoiced separately. Final costs may vary according to procedure duration, complexity, and the applicable surgeon's schedule. Patients are advised to request a formal quotation from the Surgical Admissions Desk for procedures not listed below.

PRE-OPERATIVE REQUIREMENTS

At least seven days before surgery: All pre-operative investigations ordered by the treating surgeon must be completed. Results must be reviewed and cleared before a theatre slot is confirmed.

At least two days before surgery: A pre-anaesthesia assessment is required with the Anaesthesiology team (Ext. 2210). Patients are requested to bring a complete list of current medications, including herbal preparations and dietary supplements.

The evening before surgery: Patients scheduled for general anaesthesia are to remain nil by mouth from midnight. Specific fasting instructions for local or spinal anaesthesia will be communicated at the pre-anaesthesia assessment.

On the day of surgery: Patients are to report to the Surgical Admissions Desk, Level 6, Block C, at the time stated in their confirmation letter. A valid NIC or passport, pre-operative investigation folder, and insurance pre-authorisation documentation must be presented on arrival. A responsible adult must accompany the patient.

ITEMS TO BRING FOR ADMISSION

- National Identity Card or Passport (mandatory)
- Pre-operative investigation results, originals and one copy
- Current medications in original packaging
- Insurance card and pre-authorisation letter
- Comfortable loose clothing suitable for post-operative recovery
